Imnul Cantus Mundi

Ion Marin

Suntem zorii de zi,
Suntem astăzi copii,
Mâine, însă, când mari vom fi
Și ne vom reaminti

Cantus Mundi, Cantus Mundi,
Doar muzica ne poate uni…
Cantus Mundi, Cantus Mundi,
Prin cântec, împreună vom fi!

All the children should dream
All the children should play
All the children should sing a song
And all the children should say:

Cantus Mundi, Cantus Mundi,
In music, we are one family…
Cantus Mundi, Cantus Mundi,
Together we'll be happy and free!
